## ALUMNI DIRECTORY

1920-1921

PUBLISHED BY

under the Act of Congress of August 24, 1912

# FOREWORD

---

The preparation of material for this directory began in March 1919 when inquiry cards were sent out from the Registrar's office to all members of the several alumni organizations. The response to these cards was so inadequate that there was prepared for insertion in the May-June issue of the College and State a list of the "missing"—we almost added "and dead"—with the request that information concerning these be sent in by anyone who might know of their whereabouts. At this time the work was stopped thru loss of personnel in the registrar's office and was not resumed until after the first of the new year. So much for the delay.

As to the success of the efforts made to secure information regarding the alumni the lists speak for themselves. There are too many asterisks spotting these lists. Cannot these be largely eliminated before another directory is prepared? An effort is made in the registrar's office to maintain a card file record of all alumni and if from time to time each alumnus will send to the office information regarding either himself or some other member of the association this file can easily be kept up-to-date and made worth while and serviceable.

Note: In the accompanying lists the asterisk (\*) indicates that no response was received to the inquiry card and that the address given is last known address.

## **Alumni, Do This For The N. D. A. C.**

If you know young men or young women who are planning to go to college, call on them or write to them and explain the advantages offered for an education by the

### **North Dakota Agricultural College**

You will in this way do good to the student, to yourself, and, above all, to the State of North Dakota, which needs men and women with North Dakota Agricultural College Training.

The Registrar will send catalog and other information telling about the College to any address you furnish.

**E. S. KEENE, Acting President.**
